

# Rubbish Words

*Recommendation: Print the bin out in A3 and laminate. Print out the scrunpled paper sheet in A4 and laminate.*

You can use this in Phonics by 'binning' the alien or rubbish words (write the words on the scrunpled pieces of paper and blu tac them onto the laminated bin.)

You can also use this resource as a classroom display for the incorrect words your children use in class, such as *taked* instead of took, *buyed* instead of bought, and *tidy upping* instead of tidying up.
