Number Sequences

Look at the number sequences. Which numbers come next?

The worksheet features four vertical columns of blue circles. The first column contains circles numbered 0, 1, 2, and then seven empty circles. The second column contains circles numbered 3, 4, 5, and then seven empty circles. The third column contains circles numbered 6, 7, 8, 9, and then seven empty circles. The fourth column contains circles numbered 10, 11, and then seven empty circles. Four fish are scattered in the center: a yellow fish at the bottom left, a red fish in the middle, a teal fish in the middle, and a green fish at the bottom right.
